“Why, yes, I live in Goshen,
This little town
Of little streets and ways
And little folk and great.
I eat, sleep, work here,
But most of all I live,
And laugh and weep
And agonize and pray.
I dream in Greece and Rome
And try to bring my dreams to Goshen
And sometimes do but mostly fail.
But here I meet my friends,
My living, breathing fellows,
And we walk and think and do
And bless and hurt each other every day.
Here I see great men sometimes small,
And small men sometimes great,
And out of all of Goshen’s ugliness,
Great beauty grow.
And so I live in Paradise,
Right here.”

From The Selectmen's Desk

1993 could best be described as one wild roller coaster ride that started in March and hasn't ended yet! Much time was spent scrambling to catch up on what had happened in 1992 and still keep 1993 moving along. Some days I felt like a cat in a room full of rocking chairs. We were able to get out two tax billings this year and, happily, this saved the Town some money on TANS interest.

In late May the Town, along with the Conservation Commission, applied for and received a grant to expand the trail at Gunnison Lake which had been started several years ago by the International Workcamp. The grant allowed us to hire local young people through the N.H. Job Training Council. We feel this was a positive program for the community at large as well as for the youth involved, definitely a high point. We would like to thank the Conservation Commission, especially Mark Burns, as well as the youth involved for a great job!

We have dealt with several changes in town positions after receiving resignations from Mr. Gonthier and Ms. Bruno. We have filled those positions, as well as the position of Administrative Assistant. Ms. Pauline Lafleur was hired and has turned out to be, not only a very competent young lady, but a delightful and accomodating person to work with.

Without a doubt the most exciting thing that happened this year was the purchase of the Pearson property. There was a lot of talk and telephone calls all summer, so it was with joy and relief that we finally signed in the fall. We will be looking for a group to explore with us the various possibilities that this property will allow the Town.

TOWN WARRANT
TOWN OF GOSHEN
The State of New Hampshire

**THE POLLS WILL BE OPEN FROM 11:00 AM TO 7:30 PM TOWN
MEETING WILL BEGIN AT 7:30 PM**

To the inhabitants of the Town of Goshen in the County of Sullivan in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Goshen Town Hall in said Goshen on Tuesday, the 8th day of March next, at 11 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To see if the Town is in favor of increasing the term of the Town Highway Road Agent from one (1) year to two (2) years, beginning with the term of each Town Highway Agent who shall be elected at next year's regular Town Meeting or appointed by the Selectmen elected at said meeting.
3. To receive the reports of the Town Officers of Goshen and take any necessary action thereon.
4. To see if the Town will vote to raise and appropriate the following sums of money for general municipal operations:

Account No.	Recommended Budget
4130 Executive	\$21,500

4220 Fire	11,250
4290 Emergency Management	<u>450</u>
Total	\$29,400

9. To see if the Town will vote to establish an Expendable Trust Fund under the provisions of RSA 31:19-a for the purpose of Personal Fire-fighters Equipment and to raise and appropriate the sum of \$1,000 (one thousand) to be placed in this fund and to designate the Fire Chief and Selectmen as agents to expend. This appropriation is recommended by the Selectmen and Budget Committee. (majority vote required)

10. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a Fire Truck and to raise and appropriate the sum of \$5,000 (five thousand) to be placed in said fund; and to designate the Fire Chief and the Selectmen as agents to expend. This appropriation is recommended by the Selectmen and the Budget Committee.(majority vote required)

11. To see if the Town will vote to raise and appropriate the sum of up to \$5,000 (five thousand) to be added to the Police Cruiser Capital Reserve

established in 1978 and to authorize the transfer of such amount from the December 31, 1993 fund balance for this purpose. This appropriation is recommended by the Selectmen and the Budget Committee. (majority vote required)

12. To see if the Town will vote to appoint the Selectmen and Officer in Charge of the Goshen Police Department as agents to expend the Police Cruiser Capital Reserve.

13. To see what sums the Town will vote to raise and appropriate for Highways and Streets:

Account No.	Selectmen Recommendation	Budget Committee Recommendation
4312 Highway & Streets	\$59,570	\$55,500
4313 Bridges	400	400
4316 Street Lighting	160	160
Highway Block Grant	<u>19,270</u>	<u>19,270</u>
Total	\$79,400	\$75,330

14. To see if the Town will raise and appropriate up to \$7,500 (seventy five hundred) for the purchase of a winter truck with plow, and to authorize the withdrawal of said sum from the Highway Truck Capital Reserve. This appropriation is not recommended by the Budget Committee. This appropriation is recommended by the Selectmen. (majority vote required)

15. To see if the Town will raise and appropriate a sum not to exceed \$16,000 (sixteen thousand) for the purchase of a heavy summer truck, and to authorize the withdrawal of said sum from the Highway Truck Capital Reserve. This appropriation is not recommended by the Budget Committee. This appropriation is recommended by the Selectmen. (majority vote required)

16. To see if the Town will vote to raise and appropriate a sum not to exceed \$16,000 (sixteen thousand) for the purchase of a used Grader. This appropriation is not recommended by the Budget Committee. This appropriation is recommended by the Selectmen. (majority vote required)

17. To see if the Town will vote to raise and appropriate a sum not to exceed \$8,500 (eighty five hundred) for the purchase of a used Loader for the Highway Department. This article is not recommended by the Budget Committee. This article is recommended by the Selectmen. (majority vote required)

23. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the construction and reconstruction of a septic system, parking lots, ramps and all other items necessary to provide handicap access to the Town Hall and those buildings which have the capacity to be part of a single system and to raise and appropriate the sum of \$2,000 (two thousand) to be placed in this fund and to designate the Selectmen as agents to expend. This appropriation is recommended by the Selectmen and the Budget Committee. (majority vote required)
24. To see if the Town will vote to allow the Selectmen to offer alternative health benefit packages, for example dental or eye plans, beyond the current Health/Accident Insurance now offered. Any plan would not exceed the currently allowed plan.
25. To see if the Town will vote to accept the provisions of RSA 202-A:4c providing that any town may, at annual meeting, adopt an article authorizing indefinitely, until specific rescission of such authority the public library trustees to apply for, accept and expend, without further action by the town meeting unanticipated money from a state, federal, or other governmental unit or private source which becomes available during the fiscal year. (majority vote required)
26. To see if the Town will vote to adopt the provisions of RSA 31:95-C to restrict the revenues from transfer station user fees, both the decal permits and the coupon fees, to expenditures of the transfer station beyond normal maintenance. Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Transfer Station Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after

the vote by the legislative body to appropriate a specific amount from the said fund for a specific purpose related to the transfer station. (majority vote required)

27. To see if the Town will vote to accept the provisions of RSA 33:7 providing that the Town may, at an annual meeting, adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes. (majority vote required)

28. To see if the Town will accept the provisions of RSA 31:95-B providing that a town, may at an annual meeting, adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept, and spend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year. This authorization will remain in effect until rescinded by a vote of the municipal meeting. (majority vote required)

29. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property, other than cash, to the municipality for any public purpose. This authorization in accordance with RSA 31:95-E shall remain in effect until rescinded by a vote of the municipal meeting. (majority vote required)

30. To take up any other business as may legally come before this meeting.

Given under our hands and seal, this day of February, in the year of our Lord nineteen hundred and ninety four

BUDGET OF THE TOWN OF GOSHEN, N.H.					

TOWN OF GOSHEN
AUDITOR'S REPORT 1993

On February 12, 1994, I completed the required audit of town accounts for the fiscal year ending 1993. Town Treasurer and Tax Collector accounts were reviewed for accuracy and timely remittance of all funds. Selectmen's vouchers were verified against the treasurer's payments and payroll vouchers were reviewed.

All accounts were found to be in compliance with state requirements and each account was maintained correctly.

Respectfully submitted,
Cynthia L. Baron
Goshen Town Auditor

GOSHEN PLANNING BOARD

1993 REPORT

The planning board meets on the first and last Tuesday of the month at 7 p.m. at the Town Hall. The regular meeting is held on the last Tuesday. All meetings are open to the public.

After the town meeting and elections the planning board members were Denise Cook, Fred Faulkner, Gertrude Konrad and Patricia Stephan. George Hebert and Arne Nilsen were appointed alternates in March.

When Denise Cook resigned during the summer. Arne Nilsen was appointed to the board as a regular member. There remains an opening for an alternate at this time.

Mary Walters served as representative from the board of selectmen until late December when new selectman Leigh Williamson took her place.

Gertrude Konrad was elected chairman of the board in November. Fred Faulkner serves as assistant chairman.

During the year three minor subdivisions were reviewed and approved. Members participated in workshops for new members. One was held in May with town attorney Laurence Gardner and the second was sponsored by Upper Valley Lake Sunapee Regional Planning Council in October. The planning board has spent time studying and reviewing New Hampshire earth excavation regulations (RSA 155 E) as it pertains to Goshen. Again UVLSRPC has been helpful in providing information.

Respectfully submitted,
Patricia Stephan
Secretary

GOSHEN VOLUNTEER FIRE DEPARTMENT

1993 REPORT

1993 was a busy year for the Goshen Volunteer Fire Department. The Department responded to 28 calls compared to 17 calls in 1992. The breakdown in calls is as follows:

Mutual Aid	5
Car Fires	2
Structure Fires	2
Wet Downs	2
Medical Assist	3
Chimney Fires	2
Propane Odor	1
Wires Down	1
Dump Detail	1
Fire Alarm Act	1
Haz. Mat. Incident	1
Brush and Grass	1
Illegal Burn	1

In the past year the department purchased 2 personal alarms which are worn by fire fighters that enter burning buildings. These alarms will emit a loud noise in the event a person goes down and doesn't move for 30 seconds.

With two major stucture fires and two car fires the reported fire loss was \$132,700.

In 1993 596 man hours were spent fighting fires, and 311 hours in meetings and training.

Chief Harry (Jack) Warburton

WASHINGTON-GOSHEN PREAMBULATION

This was the first perambulation of this line conducted since 1976, over thirteen years ago. The RSA requires that each line be perambulated every 7 years.

The marks and bounds of this line were in bad shape. The blazes made in 1976 are at best barely discernible even at close range, and many of the trees on which they were placed are no longer standing. Several of the wooden posts have rotted to 1/2 or less their original length - one had disappeared - and should be replaced. These factors largely necessitated the three sessions, which totalled about 18 hours. The line should really be walked again in 1994, renewing the blazes and posts while the few blaze marks we made this year are still fresh. Given that this was the most recently done line, it is likely that the others are in greater need of maintenance.

Mike Bartlett, who assisted Phil and myself this time, has expressed an interest in taking on this responsibility. I would be glad to assist Mike.

The perambulation report is on file with the Town Clerk

D.W. Stephan

REPORT OF NEWPORT AMBULANCE SERVICE

1993

In calendar 1993, Newport Ambulance Service responded to 766 calls. This reflects a 10% increase from the 697 calls handled in the previous year. There were 35 responses to the Town of Goshen, compared to 21 calls for service in 1992.

The department has a full roster of 15 members including three paramedics; seven EMT-Intermediates and five EMT-Basics, all but one of whom are certified in cardiac monitoring and defibrillation.

In early 1994 we will be replacing our 1985 Van-style ambulance with a larger, more practical modular vehicle which will be able to transport more equipment and personnel, and will provide a better working environment for patient care.

The Ambulance department wishes to thank the Town of Goshen for their continuing support.

Respectfully submitted,
Brian W. Tracey, Director

TOWN OF GOSHEN
1993 POLICE REPORT

There have been several changes in your police department personnel so in lieu of the annual police report I would like to introduce myself and the patrol officers who will be handling your calls.

My name is Barrett (Barry) Bodkins and I currently work full-time for the Claremont Police Dispatch. I was hired in January as Officer in Charge of the Goshen Police Dept., a position I hold in the Town of Unity as well. I am certified as a part-time officer and have completed numerous other training seminars. The patrol officers working with me are Christopher Gentes and David Burnham.

There has been a change in the traditional phone system used by many local residents. The old police number (863-1702) is no longer in operation. Residents needing police assistance should call Newport Dispatch at 863-3232. They will dispatch someone to handle your call. Emergency calls will be handled by dialing 911.

We are here to serve you and if you have any concerns please do not hesitate to call.

REPORT OF THE OLIVE G. PETTIS LIBRARY

1993

The board of trustees of the Olive G. Pettis Library meet quarterly on the second Monday of January, April, July and October to conduct the business of the library.

It was a busy year for the trustees and for librarian, Jean Barrett. Acknowledging a very real need for repairs to the library building, the board began to schedule events to augment a repair fund and to heighten the visibility of the library in our community.

Under the enthusiastic leadership of chairman Sherri Moen, a Kid Fest was held on July 3rd with participation by 4H, the Boy Scouts, the Girls Softball Team, Dennis Lumber, S&R Grocery, and members of the community. The games and athletic event were run by new trustee Lilyan Wright. The rain did not dampen spirits and there are plans for Kid Fest 2.

In August parent volunteers Debbie Hebert and Marianne Dennis ran a Teddy Bear Picnic with entertainment by Kathy Lowe. The trustees sponsored this event.

The librarian bought a pass to the Currier Museum that is good until May 1994. It can be borrowed from the library by patrons.

A successful summer reading program was completed by eleven children. Erica Gunderson won the grand prize for reading the most books during the course of the program. In November and December Goshen youngsters were invited to participate in making Christmas crafts on Saturday mornings.

The librarian reports that 85 volumes have been added to the collection, the bulk of which are for children (including young adults) and reference. In addition 7 new video tapes have purchased or donated. There have been 27 new cards issued in 1993.

It is the hope and the plan of the trustees to begin repairs to the building in 1994.

Respectfully submitted,

Secretary

CONSERVATION COMMISSION

ANNUAL REPORT 1993

We were fortunate enough to obtain a State Grant of ten thousand dollars (\$10,000) to build the remainder of the nature trail which now circles Gunnison Lake and Williamson Park. It is approximately 2.4 miles of woods and fields and has been well received by the many hikers that have travelled it. The grant also allowed us to do some picnic area improvements as well as habitat improvements for our wildlife. Two wood duck nesting boxes were constructed which we hope will get used this coming year. This project also offered employment to many young people in town from July 19th to August 20th. They did a great job under the leadership of Jon Haslam.

We continued the perambulation of the property boundaries on the North and West sides of the lake. This year we will finish the boundaries on the East side.

The nature trail, as always will continue to need trimming back of the brush as it tends to grow back rather quickly. We are also contemplating a bridge so that the Baker and Blood Brooks can be crossed with ease rather than getting our feet wet.

During The fall of 1993, we were awarded a Federal Grant of twenty five thousand dollars (\$25,000) which will be approximately half of the cost of a badly needed swimming area on beautiful Rand Pond next to the State Boat Launch area. This can happen if the warrant is passed March 8th.

Expenses for the Year:

Mowing	75.00
Picnic Tables	150.00
Harris Center	100.00
Revised Conservation Rule Books	9.00

The Treasurer reported a year end balance of \$1,896.64

Meetings are held at the Firehouse or Town Hall on the fourth Wednesday of each month.

**UPPER VALLEY LAKE SUNAPEE
REGIONAL PLANNING COMMISSION
1993 ANNUAL REPORT**

The Upper Valley Lake Sunapee Regional Planning Commission is a voluntary association of 31 towns, four in Vermont and 27 New Hampshire communities. The Commission is concerned with the development of comprehensive plans for beneficial and balanced economic, environmental and social growth in the Region. It functions as a research, resource, and informational agency, and when appropriate, acts to obtain Federal, State and other approvals, grants-in-aid, loans and similar assistance for individual member towns and for the Region. The Commission provides technical assistance to member communities in the areas of planning (land use, transportation, water quality, etc.), mapping, community development, grantsmanship and grant administration. In addition, regional publications, such as our Regional Profile, Regional studies, such as our Regional Transportation Plan, and regional projects, such as the Lake Sunapee Watershed Management Plan, are undertaken to the benefit of more than one community.

In the past year, services such as our Planning Board training series, and library which features maps, planning resources and US Census data, were available to all of our member communities. A complete list of services and regional projects which benefit our members follows the list of services provided directly to residents of Goshen.

In 1993, our work specifically for the Town of Goshen included:

In support of LWCF application, provided text from Regional Plan.

Met with Planning Board to discuss earth excavation regulations and provided information on earth excavation regulations.

In December, will provide wetlands map of the Town using Landsat vegetative data.

Our Commission looks forward to continuing to serve Goshen in the coming year.

As a locally based non-profit organization, we try to support all of our communities by employing qualified local people and by purchasing goods and services from local vendors. We are pleased to report that out of the 182 people we have employed this year, 151 or 83% live in the towns from which we receive appropriations. In your town, three people do or have worked for us during the year.

Thank you for your continued support of our agency and its services, especially during this era of health care reform. We continually strive to ensure that our staff and services are of the highest quality. To that end, we are pleased to let you know that this year our organization was certified for Medicare Hospice services and was accredited with commendation by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO). Your town representative on the Board of Trustees is Marilyn Sherman.

**SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the Goshen-Lempster Cooperative School District, in the towns of Goshen and Lempster, in the county of Sullivan, in the State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School Gymnasium in Lempster, on the 19th day of March, 1994, at seven o'clock P.M. to act upon the articles set forth in the Warrant. Articles 1, 2, and 3 of the Warrant covering the election of Moderator, Member of the School Board from Lempster, and Auditor will be acted upon at three o'clock P.M., and voting will be by official ballot and Checklist. The polls will remain open for this purpose from three o'clock P.M. until at least seven-thirty o'clock P.M.

ARTICLE 1.

To choose a Moderator for the ensuing year.

ARTICLE 2.

To choose a member of the school board from Lempster for the ensuing five years.

ARTICLE 3.

To choose an auditor for the ensuing year.

ARTICLE 4.

To hear reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

ARTICLE 5.

To see if the district will vote to raise and appropriate the sum of **ONE MILLION SEVEN HUNDRED NINETY NINE THOUSAND FIVE HUNDRED FIFTY-FOUR DOLLARS (\$1,799,554)** as recommended by the school board, for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of available income estimated at **THREE HUNDRED TWENTY THOUSAND FIVE HUNDRED AND THIRTY SIX DOLLARS (\$320,536)**. (The School Board recommends this appropriation.)

ARTICLE 6.

To see if the school district will vote to have the supervisors of the Towns of Goshen and Lempster act as the supervisors of this cooperative school district pursuant to RSA 671:17 I. (The School Board recommends this article.)

ARTICLE 7.

To see if the district will authorize the school board to apply for, accept and expend, without further action of the School District meeting, money from any source that becomes available during the year, as outlined in RSA 198:20-b, provided that (1) such money is used for legal purposes for which a school district may appropriate money, (2) the school board holds a public hearing on the expenditure of such money before it is expended, and (3) the expenditure of such money does not require the expenditure of other school district funds.

ARTICLE 8.

To transact any other business that may legally come before this meeting.
Given under our hands this 18TH day of February, 1994.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Towns of Goshen and Lempster:

The 1994-95 school year will be most challenging at the Goshen-Lempster School District. As education has become a national priority it is also true that the state has not come up with a realistic formula for funding all of the necessary instructional programs. We must continue to lobby our legislators to solve the problems of funding education in the future.

Your school district has received State Education Department waivers for art, music and physical education for several years. However, these waivers end in June 1994 and in order to remain in compliance with State Education requirements the district must provide these programs next year.

The building team, comprised of teachers, the principal, community residents and business people, will continue to review and define curriculum for the kindergarten through grade eight program.

A principal/teacher committee are developing a new evaluation system for all teachers. This new evaluation system will be implemented in September or 1994.

Thank you for your continued support of the school district. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Elizabeth A. Durocher
Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT

Goshen-Lempster Cooperative School District

All things considered, this has been a good year for the Special Education programs in the Goshen-Lempster Cooperative School District. Over the past few years, we have attempted to bring back as many students as possible from out of district placements, and build program capability with the school district to meet the needs of students. The school now has in place, the ability to respond to the special education needs of most students with in-district resources.

A Resource Room under the capable direction of Mrs. Janice Bellevance, provides in-class and out-of-class remedial instruction to students with mild to moderate educational disabilities. A special program for students with emotional problems is provided by Mr. Allen Abendroth. A SAU operated program for students with moderate to severe disabilities is manned by Mrs. Helen Hodgeman. Many special needs students are included in regular classes to the maximum extent possible. In addition, some students are supported in regular classes with the use of individual aides. People employed by the SAU provide Speech Pathology, School Psychology, Occupational Therapy, Psychiatric Counseling, and Physical Therapy services on a part-time basis as required. Taken all together, these programs and services allow us to meet the educational needs of disabled students in a manner that meets Federal and State Regulations and keeps the district "In Compliance" and out of trouble.

A Federal program called Chapter I., provides extra help in reading and math for students who are experiencing some difficulty in these skill areas. The program is staffed by a teacher and aide, and pulls out students for small group and individual tutorial help.

Residents of the Goshen-Lempster School District have many reasons to be proud of "their" school. Many larger schools spending many more dollars per student are unable to duplicate the home-like atmosphere and involvement of the students in the learning process to the extent it happens here. Teachers really concern themselves with student progress. In the upper level, teachers build curriculum themes across subject matters so that students use all their knowledge to solve problems. Students do well at high schools when they graduate from the Goshen Lempster Cooperative School. You obtain good value for your investment in your children's education!

Respectfully submitted,

Arthur G. Jillette, Jr.
Assistant Superintendent of Schools

PRINCIPAL'S REPORT

1993

The Goshen-Lempster Cooperative School was the site of many events during the past year as a result of the incredible efforts of staff members and citizen volunteers. These people, keenly aware of the need for diversification in the students' school wide curriculum, continually strive to provide student activities that tend to round out the school experience for the children of the community.

Volunteers, staff members and students were involved in a multitude of projects during 1993. Some of the student activities and school events of the past year were:

January

The Winter Activity Program, conducted by Ms. Susan Martin, began with a unit on gymnastics. Each class was scheduled for two sessions weekly as the program continued into March with other activities such as basketball, volleyball and physical awareness. The program was the fruit of the fund raising and organizational efforts of Ms. Kim Gaddes and Ms. Marianne Dennis working as Parents for Positive Education (P.P.E.).

An intramural basketball program was formed through the volunteer efforts of Mr. Phillip Tirrell and Ms. Barbara Chadwick. There were many hours of after school practice sessions and games.

State Trooper Kim O'Brien began the drug awareness project, D.A.R.E., with grades 2, 4 and 6. Trooper O'Brien's lessons focused on self concept training.

February

The Goshen-Lempster International Winter Fest, a brain child of Ms. Maxfield and Ms. Parsons, was held from the Eighth through the Eleventh of February. Each class, representing a different country, began the week of activities with a snow sculpture contest. On the following day, each class, with students dressed in the attire of their country, participated in an International Parade in the gym. The festival continued with an "Egg-Sled" Race in the school yard. The week culminated with a presentation on Norway by International Four-H Youth Exchange student Kim Scamman.

As part of a health grant, Kerri Rochford, representing Woman's Supportive Services, held group counseling sessions with the Eighth Grade Class. The topics discussed were those that naturally arise for young adolescents (sexuality, substance abuse and peer pressure).

Also as part of the health grant, Ms. Esther Tardy, Director of the Lake Sunapee Area Mediation Program, held after school work sessions for staff members. These were follow-up sessions on our previous year's Conflict Resolution project. Ms. Tardy also spent in class time with the sixth grade delivering lessons on "Building Relationships".

March

The Goshen-Lempster School had four teams of students that participated in the Odyssey of the Mind competition at Merrimack High School. The parent coaches and the teams' presentations were: Earl Decoteau (Fables and Folk Tales), Heather Downey and Cathy Gagnon (Dinosaurs), Beth Cooper (Well Balanced Diet), and Marilyn Sherman and Ted LeClair (Pit-Stop Vehicle).

Dudley Laughman, Fiddler and Country Dance Master, presented an evening of folk dancing for students and parents in the school cafeteria. The dance was a culminating experience of lessons that Mr. Laughman had conducted with each class. Refreshments, provided by the Goshen-Lempster Educational Association, were sold to raise money for college scholarships for Goshen-Lempster alumni. The dance activity was funded by the P.T.C..

Ian LeClair, eighth grade student, qualified to participate at the state level of the National Geography Bee.

April

The Student Activity Committee planned a week of school wide activities in celebration of Earth Day. The week began with Pledge Day, where each class posted a pledge for the environment. The celebration continued with Poster Day, during which each class designed a poster with an environmental message. The following day was T-Shirt Day; everyone wore a shirt which reflected environmental consciousness. On Earth Day, each class placed their drawing of their assigned portion of the "Nash-A-Way" (Nashua) River on the gymnasium wall. Each contribution portrayed a section of a spectacular display of the river portrayed in A River Ran Wild by Lynn Cherry. Grades one through three performed the song I Need the Earth, and the Earth Needs Me (led by Ms. Maxfield), and Seventh and Eighth Grade students read the text of Lynn Cherry's book for the school audience.

Ms. Parson's Third Grade students performed the play The Princess and the Prime Minister for their parents in their classroom. They also provided refreshments for their parents.

May

Mr. Ekstrom organized Star Lab, a Montshire Museum Outreach project sponsored by the P.T.C., to come into the school. Star Lab was a portable planetarium which brought stars, planets and galaxies to life for the students.

Sixth Grade students received certificates of completion presented by Trooper O'Brien at their D.A.R.E. graduation. Jillian Ash received a special medal for her D.A.R.E. essay. Fifth and Sixth grade student from the Unity School joined our students for the graduation exercise.

The Science Fair was held on the evening of May 27. Cash prizes (compliments of the P.T.C.) and certificates were presented to students with outstanding projects in three categories. Those awards went to:

Grades 1, 2 & 3

1st:	Keith McCrossin.....	Solar System
2nd:	Emily Roberts.....	Constellations
	Robby & Mathew Blackwood.....	Insects
3rd:	Warren Ash.....	Baby Chicks
Hon.Men.:	Justin Gonyea & Kevin Raymond....	Robots

Grades 4, 5 & 6

1st:	Ian Faulkner.....	Gerbil Maze
2nd:	Mike Sherman.....	The Brain
3rd:	Julie Young.....	Solar System
Hon.Men.:	Betsy Edes.....	Electric Cells

Grades 7 & 8

1st:	Ian LeClair & Kent Stetson.....	Water Purification & Distillation
2nd:	Alicia Koscielniak & Kristie PockettMiracle of Life
3rd:	Melodie Farrar & Marie Longtin..	Mice

Ms. Maxfield's Third Grade students and parents provided a spaghetti dinner, their Second Annual Cheap Night Out, prior to the Science Fair.

June

Ms. Brewer was selected by the National Geographic Society as one of two educators in New Hampshire to travel to San Francisco to participate in a National Water Conference.

Eighth Grade graduation, held on the evening of June 15, was opened with an essay by Ms. Fran Jacobsen. Parents and guests were welcomed by Class Salutatorian Kent Stetson, and the Class History was delivered by Co-Third Honors students Daniel Sherman and Miles Stetson. A farewell speech on behalf of the graduating class was delivered by the Class Valedictorian Ian LeClair. Awards were presented by Ms. Brewer, Mr. Davidson and Mr. Bonfiglio, and diplomas were issued by School Board Chairman John Hopkins. The Goshen-Lempster Education Association presented college scholarships to alumni students Christy Hurd, Corey Caron, and Lauren Winterholer. Following the ceremony, the P.T.C. held a reception for the graduates.

On the last day of school, an Awards Assembly was held to honor students and volunteers. Students received recognition for attainment in studies, sports and citizenship. Susan Scalera, President of the Parent-Teachers Club, presented awards to a considerable number of parents and citizens who volunteered services to the school during the 1992 - 93 school year.

September

The first day of the new school year began with an opening assembly for staff and students, kicking off the year with the theme "Be Positive, and You Will Learn" (a continuation of last year's theme "Accentuate the Positive").

New faces among the staff were: Mr. Allen Abendroth (head of the newly formed Emotional Handicap, EH, program); Ms. Kathy Temple and Ms. Mona Faulkner (EH assistants); Nurse Kathleen Shinnars (replacing Ms. Patti Koscielniak as School Nurse); Ms. Susan Martin (teacher assistant); and Mr. Jack Vaughan (1/3 math teacher, grades 7 & 8, and 2/3 teacher assistant).

The New Hampshire State Council on the Arts announced the award of a \$500.00 grant to the school for an Artist in Residence program. The project, a week of sculpturing activities with students, was designed by teachers Sandra Lord and Nancy Rickard and parents Annette Howard and Susan Scalera. The Artist is scheduled to work with students during the first week of March.

The P.T.C. held its first meeting on the evening of September 15. Featured at the meeting was Esther Tardy-Wolfe, Executive Director of the Lake Sunapee Area Mediation Program. The presentation, "Home Based Conflict Resolution", consisted of parents interacting with Ms. Tardy-Wolfe and with each other on practical approaches to dealing with conflict in the home.

October

Under the direction and inspiration of our new Superintendent, Liz Durocher, a School Based Management Team (commonly referred to as the Site Team) formed. The team, composed of citizens and staff members, proceeded to meet bi-weekly in an effort to direct change that will shape the future of the Goshen-Lempster Cooperative School. Members of the team are: Mr. John Bonfiglio, Ms. Judy Brenner, Mr. Ernest Dennis, Ms. Heather Downey, Mr. Conrad Ekstrom, Ms. Ruth LeClair, Mr. James Leland, Ms. Shirley Leland, Ms. Sandra Lord, Ms. Mary Maxfield, Ms. Cheryl McGinnis, Ms. Sharon Parsons, and Mr. Harrison Stover. Mr. Edward "Ted" LeClair serves as a liaison between the Goshen-Lempster and Sunapee teams.

Wee Deliver, an in school mailing program promoted by the U.S. Postal Service, began under the organizational efforts of Ms. Rickard. Each wing was named as a town; each classroom was named as a street; and each student received a number as a residence. Students filled out applications for postal service jobs, and letters were able to be sent from student to student using "postage" and proper codes.

The entire student body participated in the Parents for Positive Education Walk-A-Thon to raise money for the P.P.E. Physical Activity Program to be conducted later in the school year.

During Fire Prevention Week, a Fire Safety Program was organized and presented by the Lempster Fire Department. Students in the Upper-Level Team and the Mid-Level Team received a presentation on fire extinguishers. Students in the Primary Team were instructed on procedures to be followed in case of a fire; they also witnessed a demonstration of what a firefighter looks like in full gear. The firefighters involved in the presentations were: Chief Phillip Tirrell, P.J. Tirrell, Ken LaQuire, Barbara Chadwick, Todd Gregory, Greg Litchfield, and Dave Loring.

Ms. Brewer's Eighth Grade Social Studies Class participated in a project referred to as the California Gold-Rush Lunch. The students created an authentic menu (16 courses including venison, rice pudding, corn bread, etc.) from the time period. Under the direction of Ms. Rachel Tirrell and Ms. Henrietta Hodgman, the students prepared a "Gold-Rush Lunch" for themselves.

November

This was a time of creating crafts for the upcoming Craft Fair. Each classroom was a site of ongoing student craft projects which, when sold at the Fair, would bring in money to sponsor various classroom activities (trips, etc.). Teachers and parents combined their efforts to provide ideas and materials for the production of crafts. Parent volunteers, Annette Howard, Susan Scalera, Rachel Tirrell and

Henrietta Hodgman, conducted after school craft work sessions for Eighth Grade students.

On Sunday, November 21, the fourth annual Christmas Crafts Fair brought shoppers to the school to purchase professional crafts in the gymnasium and student made crafts in the lunchroom. An enormous amount of time and effort on behalf of the P.T.C., parents , and staff went into the planning and set-up of the Fair. Ms. Wynne Rollins volunteered to organized the food concession which offered delicious food to the patrons and brought in a considerable amount of money to the P.T.C. fund raising effort. Santa (Assistant Superintendent Jillette) and Mrs. Claus (Ms. Nancy Rickard), were present to visit with youngsters and to have pictures taken by Superintendent Liz Durocher.

Ms. Wells' sixth grade class traveled to the Lebanon Opera House to see the play Robin Hood. This trip was funded by money raised from selling the students' crafts at the Craft Fair.

The Third Grade Classes of Ms. Parsons and Ms. Maxfield and the Eighth Grade Class of Ms. Brewer traveled along the Sugar River from Lake Sunapee to the Connecticut River. The third and eighth grade students worked in cooperative groups to make observations and take water samples at several locations. The study of the Sugar River included a presentation by Mr. Bob Collins, an authority on the history of the river.

December

Grades One and Two traveled to the Lebanon Opera House to see the play Babes in Toyland. This trip was also funded in part by money raised at the Crafts Fair.

Grades Four, Five and Six conducted a historical tour of the town of Lempster. Ms. Rachel Tirrell served as the tour guide, narrating as they came upon important sites. Some of the sites that were pointed out were Bingham Mansion, the Tannery, the location from where the Town Hall had been moved, four old one room school houses, and the town animal pound. A tour of the town of Goshen is being planned for the Spring. In the words of Ms. Lord, "There was so much local historical information that you simply couldn't get from a book".

Ms. LeClair and students in Grades Six through Eight spent many afternoons after school rehearsing and setting-up for the play Laffing Room Only. The two act farce-comedy was presented to members of the community on the evenings of December 16 and 17. Students and faculty viewed the play during school on the afternoon of December 20. Parent volunteers who assisted Ms. LeClair were Ms. Lori Earthrowl, Ms. Mary Walter, Ms. Rachel Tirrell, Ms. Sue Scalera, Ms. Jane Skeie, and Mr. Ted LeClair.

It should be noted that the success of school events is directly attributable to two primary factors: 1.) the many volunteers who unselfishly give their time, materials and talent, and 2.) to the zest and zeal of an intensely dedicated staff. The teaching staff should be applauded for their measure of professionalism in being able to rise above their disappointment of the defeat of their negotiated agreement on December 4. Despite the event, they spent many additional hours (week ends and evenings) planning for the six week Winter Activity program that would begin in January.

We are in our third year of operation without the formal curricula offerings of Physical Education, Music and Art. These experiences continue to be missed by students, parents and staff; this was particularly evident with the introduction of the P.P.E.'s Activity Program last January. It was noted that, during the time of the Activity Program, problems with student discipline decreased. Meanwhile, the P.T.C. (under the direction of President Sue Scalera, Vice President Jane Skeie, Secretary Marianne Dennis and Treasurer Chris Smith); the P.P.E. (under the direction of Kim Gaddes and Marrienne Dennis); parent and citizen volunteers; and an enthusiastic staff continue their efforts to pick-up the slack for the missing programs.

The Goshen-Lempster Cooperative School is involved in an ongoing strive for continuous improvement. This report is not large enough to note every activity and every person making a contribution toward that strive. The effort is surely a product of the partnership between school personnel (teachers, classroom assistants and support staff) and the citizens of Goshen and Lempster; we comprise a team with the objective of ensuring a productive and fulfilling school experience for the children of the community. With the continued dedication of school staff and citizen volunteers, the professional guidance of Superintendent Durocher's office, and the articulate leadership of School Board Chairperson Doris Adler and the Goshen-Lempster School Board, we will continue to provide quality educational experiences for the students of the Goshen-Lempster Cooperative School.

Respectfully submitted,

John Bonfiglio
